## **IMPORTANT MESSAGES**

Your financial aid award is based on full-time, on-campus status. If your enrollment or housing status is incorrect or changes, contact the Office of Student Financial Aid immediately. Your financial aid award may be adjusted accordingly.

You have received the FAFSA Incentive Award for completing the FAFSA application by the required deadline. This scholarship is awarded on a yearly basis and is renewable up to 4 years (8 semesters) of Undergraduate course work. You must complete the FAFSA each year by the required deadline. Scholarship renewability is also dependent on a student attending full-time and meeting Satisfactory Academic Progress as defined by the University catalog.

You must accept your Federal Direct Loan Funds on your self-service account. In order to receive your Federal Direct Loan, you must complete Entrance Counseling and submit a Master Promissory Note (MPN). You can complete both at StudentAid.gov. Your funds will not credit to your account until these requirements are complete.

Your Estimated Cost of Attendance includes billed costs such tuition, fees, housing and meal charges, as well as an allowance for books and supplies, transportation, personal and other expenses that are not billed. Please refer to the Full-Time Student Cost Schedule.

In order to retain your Regents' Scholarship, you must maintain a minimum Cumulative Grade Point Average (GPA) of 3.0 and be making Satisfactory Academic Progress (SAP) as defined by your school or college. If you do not maintain the minimum 3.0 Cumulative GPA or SAP, the scholarship will be rescinded and will not be reinstated should you meet these requirements at a later date. You may be eligible for a maximum of eight (8) semesters or until completion of the undergraduate degree, whichever comes first. All university aid consists of both institutional and donor based funding. If you are selected to receive a donor-based award, a portion of or the entire amount of your university aid will be supplemented with a donor named scholarship. If this occurs, you will be notified regarding this change.
