Dear Evergreen:

Congratulations! I am delighted to notify you of your admission to Ithaca College for undergraduate study in Physical Therapy (Clinical Health Studies/Physical Therapy, BS/DPT) beginning in the Fall 2025 semester.

In recognition of your performance and engagement, I am excited to share that you have been awarded the following renewable Ithaca College scholarships:

\$30,000 Ithaca College Scholarship
\$2,000 Residential Experience Scholarship for each year you live on campus

This represents our belief in your ability to contribute significantly to our community of bold realists and innovation leaders—and our desire to encourage your continued pursuit of academic excellence. When you enroll at Ithaca College, this amount will be applied annually toward your cost of attendance for the duration of your undergraduate study as long as you maintain full-time enrollment and satisfactory progress toward a degree. **[Financial Aid](#) package information will be sent separately.**

The talents we see in your application will be supported and stretched at IC. It's a place to build a life you love with other students who share your talent and drive, and with pioneering faculty who will become lifelong collaborators and colleagues.

We hope you'll join our community! Confirm your enrollment in [IC Connect](#).

With excitement,

Nicole Eversley Bradwell
Executive Director of Admission
