Evergreen Wu  
3205 Sleepy Hollow Dr  
Plano, TX 75093-3410

Congratulations Evergreen!

I am pleased to inform you that you have been selected to receive a spot from the waitlist for direct admission to the DPT program. Congratulations!

Because you will earn a bachelor's degree to go along with your doctoral degree in physical therapy, it is important for you to begin thinking about the area in which you would like to earn your bachelor's degree. If you have not already decided upon a major, you will work with your college adviser and your physical therapy adviser to develop a plan of study that will help you complete your two degrees in six years.

If you haven't already, when you're ready to commit to Marquette, **but no later than May 1**, submit your non-refundable deposit through your application account at <http://admissions.marquette.edu/status>. If you have any questions, feel free to email us at [admissions@marquette.edu](mailto:admissions@marquette.edu) or call us at (414) 288-7302.

Evergreen, we are delighted that you have been admitted to Marquette's world-class DPT program and know that you will be an excellent addition to the Marquette family. I, on behalf of the university community, look forward to welcoming you to campus this fall.

Sincerely,

Andy Schneider  
Dean of Undergraduate Admissions
