

Undergraduate Admissions | One Bear Place #97056 | Waco, Texas 76798-7056

Dear Evergreen,

On behalf of President Linda A. Livingstone, it is my pleasure to offer you admission to Baylor University. I commend you on the academic accomplishments that have earned you a spot in the new class.

I am pleased to inform you that your admission to Baylor University carries with it the Baylor Distinction Award, a scholarship totaling **\$100,000** which will be divided over eight undergraduate semesters. You will soon receive an email from Baylor One Stop with more information about your scholarship.

If you've applied for financial aid by completing the FAFSA and the CSS Profile, and you qualify, you will receive an email directing you to view your complete financial aid offer once Baylor has processed your financial aid applications. Your goBAYLOR portal will continue to provide updates on the status of these applications.

You are now part of the Baylor Family, a worldwide network of Bears who share your college experience. You're also joining:

- an elite, academic community grounded in high-caliber research at both the undergraduate and graduate levels
- a distinctly Christian university where faith has complemented our teaching, service and research since our founding in 1845
- a D1 athletic university with a vibrant Power Five fan base and unique traditions like the Baylor Line and the oldest homecoming celebration in the nation
- a mid-size community where you'll form close relationships with your professors and classmates while also benefitting from state-of-the-art resources and career-building experiences

There are many great schools who can say they have one or more of these qualities. However, Baylor is the only one to claim all four. Because of this unique combination of attributes, Baylor students graduate and leave Baylor better than how they came: with life-changing research under their belt, strong relationships in their network and an expanded worldview.

When you're ready to take the next step in becoming a Baylor Bear, your goBAYLOR account will continue to be a vital source of information and next steps until the day you start your classes. Please access it often at baylor.edu/gobaylor. **Your most immediate next steps include paying your enrollment deposit by May 1, and then completing your enrollment next steps in goBAYLOR.**

If you have questions as you continue exploring your college options, please don't hesitate to contact us. Congratulations, and Sic 'Em Bears!

Sincerely,

A handwritten signature in green ink that reads 'Mary Herridge'.

Mary Herridge
