Dear Evergreen,

Congratulations! I'm proud to inform you that your academic achievement and personal qualities have earned you a place in Widener University's Class of 2029. You've been admitted as a student in our Pre-Physical Therapy (3+3) Psychology program beginning in the fall 2025 semester.

This accomplishment is a testament to your hard work and achievements. You've shown the potential for greatness—and we look forward to your contributions to our campus community and the world beyond.

I have more good news: I'm proud to announce that you've been awarded a **Widener University Presidential Scholarship** in the amount of **\$38,000 per year**—a **total of \$152,000** over four years. Please note that this **does not** represent your complete financial aid offer. You may qualify for additional financial aid after we review information from your Free Application for Federal Student Aid (fafsa.gov). Be sure to include Widener University as a recipient of your FAFSA by adding school code 003313.

Further, our generous alumni contribute each year to help make a Widener education possible for students from across the country. You have been selected to receive an additional **\$4,000 per year Texas State Alumni Award**. This award is renewable for up to four years.

Ready to enroll? Complete the *Confirm Your Enrollment* form in your Admissions Portal and pay your enrollment deposit.

Your Widener journey starts now! Take time to celebrate. Soon, you'll step onto our campus—your second home—and start building lifelong relationships with professors, classmates, teammates, and labmates—your second family. We can't wait to see you in the fall!

In the meantime, consider visiting campus soon or contacting your counselor, Rose Richards, Senior Associate Director of Admissions, at rlrichards@widener.edu or by phone or text at 610-490-8295 with any questions.

With Pride,

Courtney H. Kelly
Executive Director of Admissions
